VIA PAXTON VS. BEA FLORA: IT'S ALL ABOUT THE TITS

Dear *Voluptuous*,

Having to choose between Via Paxton and Bea Flora in "Big-Breast Challenge 2" (Nov. '06) looked like it was going to be the hardest thing I'd ever done until I remembered something: It's all about the tits!

On overall body, Via is the winner. She has one of the best asses of any V-Girl ever. I also think Via is sexier than Bea, and her modeling has definitely been a lot more interesting so far.

But, as you pointed out, it's not about the ass or the pussy or who's sexier. Nor is it about the face (no knock on Via, but Bea is stunningly beautiful). Since it's all about the tits, Bea, with her big, heavy funbags, is my winner.—D.N., Roanoke, Virginia

Dear D.N.: Yes, Bea is the winner of November "Big-Breast Challenge," but by a very narrow margin. Bea received 51.7% of the votes while Via received 48.3%. Via moves on to the next round, where she'll take on Nicole Peters. Check out all four quarterfinal matchups in the March '07

issue of *Voluptuous*, on sale January 16.

Now, read on to see what other V-Men said about Bea vs. Via.

VIA VS. BEA: IMPOSSIBLE!

Dear *Voluptuous*,

Via vs. Bea: Impossible! Via's tits look better in the leaning-back poses on pages 12 and 13 and in the hanging photos on page 15, but Bea's tits look much better in the shots on pages 16 and 17 and the lying-on-the-side shots on page 20. The "Bare Facts" info says Bea has FF-cups while Via has EE-cups, but we all know that bra measurement is an inexact science. It's hard to believe that Bea's breasts are two cup sizes bigger than Via's.

I stared at these pictures for a long time. Jacked off a few times. Even looked at my back issues of Via and Bea. Finally, I decided that I can't decide. Sorry, but no vote from me this month.—R.P., Trenton, New Jersey

BBC-2: COLOR HIM VIA

Dear *Voluptuous*,

I'm voting for Via Paxton over Bea Flora because it's about time a sister got some R-E-S-P-E-C-T in this contest.—J.J., Valdosta, Georgia

IT'S BEA BY JUST A NIPPLE

Dear *Voluptuous*,

The firmness and overall shape of Bea's boobs give her only a slim advantage over the beautiful body of Via.—David, Nacoogdoches, Texas

THEY'RE JUST SHARK BAIT!

Dear *Voluptuous*,

Too bad that either Bea Flora or Via Paxton are going to lose to Nicole Peters in the next round of "Big-Breast Challenge 2." I voted for Bea because her tits look nicer and heavier, but now she's going to lose.

Sorry, girls, but your main assets (Bea's face and Via's ass) aren't going to help you this time. Nicole's power rules!—Name withheld, Fresno, California

Does this convince you that Merilyn belongs in the "Big-Breast Challenge"?

MERILYN DOESN'T BELONG IN BIG-BREAST CHALLENGE

Dear *Voluptuous*,

Although the "Big-Breast Challenge 2" is a tit contest, I have to voice my disagreement with Merilyn Sakova's inclusion (Oct. '06). Breasts excepted, Merilyn does not fit the voluptuous body type, and this is *Voluptuous* magazine, after all.

Merilyn's place is in *SCORE*, the home of slim-n-stacked. *Voluptuous* is about huge, natural boobs and curvacious bodies. I don't believe Merilyn is curvy enough to cross over. You obviously beg to differ, but I bet if you were to do a straw poll of your readers, 90% of them would agree with me. I've read enough letters in V-Mail over the years to know that V-Men are very passionate about these issues.

Don't get me wrong. I think Merilyn is an incredible find of which you can feel justifiably proud, but I also think your eagerness to show off your new protégé at every opportunity has clouded your judgment.

Merilyn isn't a V-Girl. The wrongful decision to include her in "BBC-2" is thrown into even starker relief when you consider some of the models you've excluded. Where are Joana and Denise Davies? And where in God's name is Diane Poppo? These girls, to name but three, are far more deserving of a place in "BBC-2" than Merilyn.

All of this is why Carol Brown—a *Voluptuous* legend—will be getting my vote almost by default, as she's the only V-Girl participating in October's

Via Paxton (far left) and Bea Flora battled it out in the first round of "Big Breast Challenge 2" before Bea emerged as the winner.

heat. Of course, it helps that I find Carol absolutely hot as balls.—K.S., Yorkshire, England

Dear K.S.: Thanks for writing, and we respect your opinion. Marilyn is, indeed, slim-n-stacked. But those huge, natural tits are hard to argue with. Some readers voiced the same opinion as yours, but nonetheless, Marilyn was an easy winner over Carol Brown in October's match.

CRISA IS NOT FLORRI, AND FLORRI IS NOT CRISA

Dear *Voluptuous*,

I'm a long-time subscriber and familiar with most of your models down through the years. Imagine my surprise upon browsing through the Oct. 2006 issue's pictorial of lovely newcomer Florri and seeing her referred to in the accompanying text as Crisa. Now, I know that they both hail from Romania, both are gorgeous and both possess perfect *Voluptuous* bodies, but that's where the similarities end. Come on! Give the girl her due.

Perhaps your editor is overworked, in which case maybe I could help him out. I'd say you owe her an apology and me a new DVD for catching this slight.—P.R., Piersol, via email

This is Florri (Oct. '06). She looks nothing like Crisa (pages 77 to 83).

Dear P.R.: Our mistake. We correctly identified Florri until the final spread of her layout, at which point she mysteriously became Crisa due to an editing oversight. We apologize, Florri, but there'll be no free DVD for you, P.R. Maybe if you had caught the mistake before the magazine had gone to press!

By the way, you can see more of Crisa on pages 77-83 of this issue.

BEFORE SHE BECAME A MOM

Dear *Voluptuous*,

Glad to see some of my favorite ladies back in the November '06 issue of *Voluptuous*. The Anna Jota and Kelly Kay pictorial must have been taken before Kelly became pregnant. I wouldn't think she'd look that good so soon after. Plus, I think it hadn't been nine months since she got pegggers.

Hey, just a thought. Doesn't Bozena kinda look like a curvy version of Maggie Gyllenhal, Jake's sister, the one who was in that kinda shocking movie *The Secretary* a while back? Maybe Bozena could pose for a secretary/S&M pictorial? Not that I'm into that, but some guys might like it.—Ed, via email

Dear Ed: You're right. The Kelly Kay/Anna Jota pictorial in the November '06 issue was photographed shortly before Kelly became pregnant.

Kelly Kay (left) and Anna Jota both have a lot to offer. Do we have to choose one?

Bozena: V-Girl tits, movie-star looks.

Lily Valentine (Oct. '06) appeals to both V-Men and V-Women.

FEMALE READER RUBS HER PUSSY TO LILY VALENTINE

Dear *Voluptuous*,

I really got off on the October '06 issues of *Voluptuous* and *SCORE* with Lily Valentine. I'm a 20-year-old bi-female, and I love Lily's huge and long pussy lips. Her face is also cute and a turn-on for me as well.

I love masturbating with my 14-inch rubber penis and wishing I was naked with Lily, licking her pussy and asshole and sucking those big boobs. I'd love to sniff Ms. Valentine's pussy aroma, too. Thank you, *Voluptuous*, for keeping my little pussy soaking wet.

P.S.: I wouldn't mind sucking, licking and jacking that fat penis that Dusty Rose was having sex with. Whew!—Name and address withheld

Devyn Devine is a little lady who can handle a big, fat, throbbing cock.

IS HE SAYING HE LIKES BIG TITS AND BIG DICKS?

Dear *Voluptuous*,

I like the mature-looking model Kitty Lee, but Devin Taylor gets my load because bigger is definitely better.

Evidently, that's true of men's dicks as well, or women's passion for them, because, for the very first time, I was turned on by some of the Xtra pictures in the July '06 issue. In particular, I liked those pictures of Devyn Devine's ardent attempt to deep-throat an unusually big cock and her intense facial expressions when fucking, in addition to her stretch-marked, big-

nippled floppers. I know I lust for huge tits (and truly, the bigger the better), so I've always related to women who yearn for grotesquely big man-meat, and now I see why I do.—R.Z., via email

KAT JAMES, HAIR AND ALL!

Dear *Voluptuous*,

Thank you for having the balls to show us Kat James with all of her wonderful pussy and underarm hair in the October '06 issue. A lot of magazines might have told her to chop off her beautiful armpit hair and shave her pussy, but you guys kept it natural. Please give us more of Kat James and proudly hirsute women like her.—C.S., Royal Palm Beach, Florida

WE'RE JUST BIKINI TEASERS

Dear *Voluptuous*,

Jane Blow (Oct. '06) is a superb newcomer, but if you're going to show her in that skimpy bikini, don't tease us by showing only one photo. Voluptuous women in tiny bikinis aren't seen too often, so bring 'em on!—R.F., via email

TRUE LOVE TAKES TIME

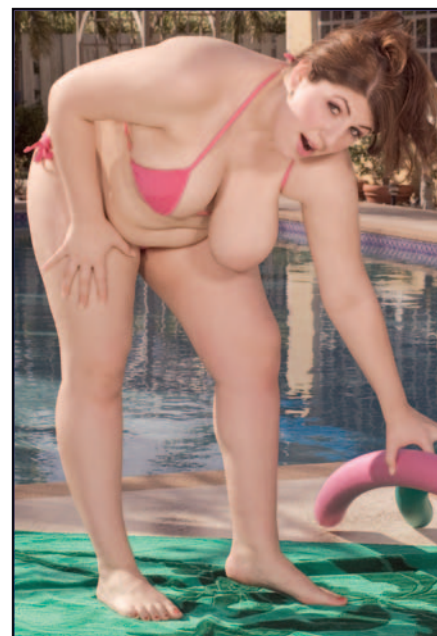

Dear *Voluptuous*,

Sometimes, a girl will appear in several issues, and she always takes a back seat to other girls who get me up and off. I never really appreciate the model in question until, suddenly, she appears in a layout which is so hot and exciting, I just can't get enough of jacking off over her.

This happened to me most recently with Scarlett in her red corset in the Nov. '06 issue. I know she thrilled

enough V-Men to win 2005 Plumper of the Year, but I didn't notice her greatness and voted for another girl. Her November photos, however, make me realize what an awe-inspiring treasure Scarlett is. I am especially aroused by the photos in which her magnificent boobs are hanging out over the top of her sexy, red corset and her lovely smile reveals how delighted she is to be sharing her twin beauties with us.

Other models with whom I had the same delayed appreciation included Kerry Marie and Nadine Jansen. I'd really like to know if my experience is unique or if other readers have shared the experience over one or more V-Girls.—C.J., Philadelphia, Pennsylvania

We couldn't show Jane (Oct. '06) in a bikini because she kept falling out of it.

Seeing Scarlett in this red corset finally hooked a hard-to-please V-Man.

SHOULD WE KEEP CUTTING THE CENTERFOLD IN HALF?

Dear *Voluptuous*,

It totally sucks that the Xtra section cuts the centerfold shot in half. It's kind of hard to look at because I also like the Xtra section and don't want to remove it.

I still do not understand why the government (I'm guessing) forces you to put it directly in the middle of the magazine. Other mags are not forced to comply with this rule, so why are you?

I guess it's more important to me that you continue to feature hardcore in the magazine than where you put it. But it does suck that the Xtra section is cutting the centerfold in half because I also enjoy centerfold layouts.

Why don't you put the centerfold on the two pages before the center of the magazine? Then you can replace the centerfold pages with the shots on pages 50 and 51. The only drawback I can see to this is that it might upset the people who remove the Xtra section so they can take out the centerfold and hang it on a wall or something. But that's too damn bad because I'll bet more readers would agree with me than those who don't like the Xtra section. The only way we'll ever find out is if you take a survey.—T.E., Liberty, Missouri.

Dear T.E.: The placement of the Xtra section in the center of the International edition

***Who is
the best
big titted
natural in
the world?***

The time has come, V-Men, to fulfill your duties as readers of *Voluptuous*. All year, the lovely V-Girls give you their tits, their asses, their pussies, and they ask for nothing in return except your jack juice. Now, finally, all of the V-Girls of 2006 have shown their stuff, and they're lining up for the world's greatest big-tit pageant. Yes, the time has come, V-Men, for you to choose the 2006 Model of the Year. Will Nicole Peters (top right) win the award for an unprecedented third year in a row? Or will one of the other 14 big-racked, beautifully-buttred finalists take Nicole's crown? On these eight pages, we present the 15 finalists for Model of the Year. Your job: to pick your favorite, then turn to page 20, cast your vote and send in your ballot.

Marilyn Sakova

Nicole Peters obliterated the competition in 2005, but winning won't be so easy this time around. Bea Flora, last year's Newcomer of the Year, and Marilyn Sakova have both graduated from Newcomer of the Year candidates to Model of the Year candidates (newcomers are not allowed in the Model of the Year Contest). Bea has been called the most beautiful V-Girl ever, while Marilyn is one of the bustiest. Stern competition.

Denise Davies

A full-page photograph of Kelly Kay. She is a blonde woman with large breasts, wearing a black bikini top and high heels. She is posing in a room with a desk and a printer in the background. A small black and white polka-dot collar is around her neck.

Kelly Kay

Check out the four ladies on this spread and you'll realize how impressive the competition for Model of the Year really is. Kelly Kay and Annie Swanson both added to their fan bases by appearing knocked up in the DVD *Chesty Peggos* (available on page 98). *Ultimate Cherry*, featuring Cherry Brady in a pair of hardcore scenes, continues to be a best-seller. Kerry Marie keeps getting bustier and more voluptuous. Let's face it: Any magazine in the world would love to have any one of these girls gracing its pages. But in *Voluptuous* in 2006, we had all four...and plenty more!

EMILY CARTWRIGHT

She has the body of a V-Girl, the dirty mind of a V-Man.

"I learned everything I know about blow jobs from watching porn," said Emily Cartwright, an F-cuppper from England who's kicking off V-Mag's 2007 class of newcomers in a very impressive way. You have to love a sexy, big-titted babe whose idea of fun is sitting down and watching some porn with the boys. "I have a very high sex drive," Emily said as she caressed her hooters. "And I love having my tits fucked."

BARE FACTS

EMILY

Birthday: October 20, 1980

Age: 26 **Height:** 5'6"

Weight: 133 lbs.

Bra Size: 36F

Measurements: 42-27-36

Lives: Preston, England

Occupation: Model

Hobbies: Kick boxing, yoga
and reading

Favorite sex position: "I
love doggie-style. I like to
feel the guy pushing me
down into the bed."

In face, complexion, body, tits and horniness, Emily bears a striking resemblance to another great V-Girl, Angela White. Notice how happy she is to be showing off her tits and pussy for your viewing pleasure. Guys, this is *not* a girl who's doing it for the money. "I love turning men on," she said. "I love deep-throating a man's big cock. I love getting on top of his cock and riding it while he reaches around me from behind and plays with my big, soft tits. But I'll do whatever you want me to do. I like my man to be in charge, and if you tell me what pleases you, I'll do it. To the letter. And as many times as you want."

Emily likes cock slicing between her tits and ramming her tight pussy, but she especially loves... "Anal! Sucking cock makes my man feel good, and every girl likes a good pussy fucking, but it's anal that puts me over the top. And don't worry if your cock is really big. I can take it! I even have a big butt plug that I use whenever there's no guy around. I like to shove it all the way into my ass and work it. And if a guy happens to show up, I'm ready!" But are you ready for Emily? "I'd love to find a man who can fuck me three times a day," she said. "Is there anybody out there?"

When George found himself lusting after the skinny girl next door, it took an angel to make him realize...

Tits A Wonderful Life!

ILLUSTRATIONS BY OTIS SWEAT

FICTION BY JOE MONKS

"Hey George, Merry Christmas! Hey there, Mary, how're you doing?"

George glanced over his shoulder. Sure as anything, Sam was focused on Mary, giving her the eye. Sam was scraping the ice off of his car's windshield, probably headed out, probably

to do some shopping with his wife. George and Mary had just returned, and they were both in an ugly mood.

They had been fighting again. George pressing Mary about losing a little weight. They'd just come from the mall, where Mary had unsuccessfully looked for a holiday sweater to wear to a party they'd been invited to. No luck. George

had made the mistake of firing off, "Well, maybe you'd find something that fits if you lost a few pounds." Mary had seethed at the remark. She'd already explained to him that losing some weight wasn't about to reduce her breasts substantially, not when she had a set of boobs that could stop traffic.

George hardly paid his neighbor any

attention. He waved grudgingly at Sam and cast a glance at Sam's wife, Naomi, as she slipped into the passenger side of their SUV. Sam had a sexy, pretty little wife, the kind of woman that George had just argued with his own wife over. The kind of woman who looked hot no matter what she wore...the kind of woman who could still fit into a size five, even after having a baby.

George left Mary standing at the front

door and stomped off through the snow toward a little gin mill a short walk from his home. He knew Sam had a thing for his wife, and tonight, he didn't give a shit. Hell, let Sam make a move on Mary, why the hell not? Maybe then Sam would quit asking George about what it was like to have a wife with size 42 hammers and a butt with "a little meat on it," as Sam often said.

Sam was the type who tried to buddy up, to talk like one of the guys, bringing up things about the sex lives of his married friends, but George knew what he was really after. Sam loved looking at Mary when she was out in the backyard during summer barbecues, when Mary had to squeeze into a one-piece because the local stores didn't carry bikinis that fit girls with boobs as big as hers, and she felt self-conscious about her measurements. Big tits, big ass, big girl. Meanwhile, Naomi could swim in a

thong and top that required little more than it took to make dental floss.

George ignored the fact that even in the one-piece, Mary turned every head in the neighborhood. If Sam spent time wondering what it was like to screw a woman with Mary's staggering figure, George had spent the same amount of time wondering about what it would be like to bang Naomi. Nearly all the guys George knew were married to slim, sexy women. The kinds of women who worked out in a gym and had measurements that didn't stray anywhere near the 40s on top and didn't cross halfway through the 30s on bottom.

But all of those guys only wanted to know about Mary. Mary, who was mind-numbingly stacked and narrow in the waist, making for a boob-man's optimum hourglass figure. It was what had originally attracted George to her, back when they'd first started dating,

but now? Eight years later, George longed for a skinny girl with small, perky tits and an ass he could cup in his hand, and he and Mary had been fighting a lot recently over his desire for her to lose some weight.

Waiting to cross the street, George spied a tall fox who he sure hadn't seen darken the door of Nick's before. He liked what he saw. She was tall, slender and wore a thigh-length coat that showed a lot of leg. Even better, she was going into Nick's. George's mind danced with the idea of buying her a drink, maybe see where that led. Find out if she was alone, not there to meet with anybody in particular...

George was so preoccupied heading into Nick's that he nearly bowled over a short, older gentleman who was twirling a fedora in his hand. He muttered an apology, then held the door open for the little man, who smiled and nodded. The snow was falling heavily, and all George wanted was to order a shot and check out the blonde he'd just seen enter the bar. George knew almost everybody gathered at Nick's, but he pushed his way through the holiday crowd and grunted a few hellos before securing a drink and shuffling to a table a few seats away from the blonde newcomer.

With the crowd largely congregated around the bar, toasting the holiday, George ordered three more drinks in quick succession. He was finally starting to feel better, thinking about what it would be like to come home to a woman like Naomi. George was fantasizing about having Naomi's slender, athletic legs wrapped around his waist while he plunged his cock in and out of her tight, muscular pussy until he drained his balls deep inside her pink canal. He wondered what kind of head Naomi gave, what it would be like to get her on her knees, grab her ears like jug handles and fuck her mouth while she deep-throated every inch of him. Yeah, he thought, it would be a thrill to fuck a girl like Naomi. Or maybe the hot blonde shaking the snow out of her hair

and drinking alone. It was the holidays, George thought. Nobody should be drinking alone. George made up his mind. He finished his drink, got up and headed straight for the blonde. She was toying with a cherry skewered on a little plastic sword, then she put her lips around it, squeezed it between them and sucked it off the spear. George felt his cock spring to life.

"Uh, George, I don't think you want to do that," came a voice at his side. George turned. The little man he

When those titties flopped out, they each grabbed one.

had nearly bowled over at the door stood at his elbow.

"Do what?" George said.

"Go over there, buy that woman a drink, go get a room together and fuck her like the world is about to end, of course," the man said. It was as if he had been reading George's mind.

George paused, thought for a moment. He had never cheated on his wife before. "Well, maybe you're ri...hey, how do you know my name?"

"Why, I'm your guardian angel. Well, angel in training. I was sent here to stop you from doing something stupid. My name is Clarence."

George sized up the stranger, who drained his drink and licked his lips.

"Guardian angel, what the hell do you think I need a guardian angel for?" George said.

Clarence tsk-tsked. "George, you're

looking to cheat on your wife with a skinny girl, and we don't think that's a good idea."

"We?" George asked.

Clarence lifted his eyes, and jabbed his finger toward the ceiling.

"How'd you know about that?" George said. "You a peeping Tom? You hanging around my house a little while ago or something?"

"Man upstairs sent me, George. Believe it."

"Yeah? Well, then the man upstairs knows that I already did something stupid. When I got married. I never should have developed a thing for voluptuous women."

"What? Don't say that!" Clarence said. "Do you know what your life would be like if you had never developed a thing for voluptuous girls?"

"No, but it would've been better than..."

"Nonsense." The little man looked back up at the ceiling. He seemed to be listening to a voice that George couldn't hear.

"Hmmm...yeah, could work."

Sure, why not." Clarence turned to George and grabbed his elbow.

"Where are we going?" George asked after finishing his shot.

"I'm gonna grant your wish," Clarence said. "George, I'm going to show you what your life would be like if you hadn't grown up lusting after voluptuous girls."

They stepped outside. George noticed that the snow had stopped. In fact, the weather had changed entirely. It was sunny out and felt like springtime. George was suddenly thinking better of pounding back four straight tequilas. He followed Clarence through the streets until they came upon a little park and gazebo. There was a crowd gathered, and George could tell it was a memory from his past.

"Harry's wedding," he said softly.

Clarence walked right through the flowers, and amidst the bridal party.

"Hey!" George called, but Clarence's presence went unnoticed among the crowd of people. *Of course*, George thought. *Because it's a memory.*

He followed Clarence to a spot in the front row, and the bridal theme began

Two Servings of Hair Pie

*Denise

go muff
diving!*

Hair's a special treat for all you lovers of hirsute women. It's Amazonian J-cup-per Denise Davies going tit-to-tit and clit-to-clit with beautiful Clare, a V-Girl who loves women. More than five years ago in the September '01 issue, we saw Clare muff-diving with hirsute big girl, E-cup Brit chick Belinda, and *hair* she is with another physically amazing babe, 5'10" Earth woman Denise. In preparation for this special photo shoot, Denise and Clare both let it all grow out. Let's *hair* it for the girls!

Okay, enough of the stupid hair puns. Let's concentrate on the girls. This is the first time we've seen Denise with another girl, while Clare has gone at it with "Russian" Kathy, Belinda and several others. So, what did Clare think about Denise? "She's incredible," Clare said. "She's one of the biggest women I've ever seen, but she's beautiful, and her breasts are amazing. I thought Belinda's breasts were big, but I've never seen anything like Denise's." As the picture on the right shows, these girls really got into each other. "I'm more into guys than I'm into girls, but I can tell that Clare truly adores women," Denise said. "Her touch is soft and wonderful, and it felt so erotic to have her mouth on my breasts. Every man can take lessons on how to please women from Clare."

"I probably love big tits as much as men do," Clare said. "What's so great about Denise's tits is that not only are they large, they're also firm and soft. Plus, they're incredibly heavy. I could get muscles lifting them!" As for Denise's pussy, Clare said, "I have always been a firm believer that hairy pussy tastes better than shaved pussy. Denise's is so wet and musky. I love it." She put her head down between Denise's legs and helped herself to some more hair pie. "I wish you all could taste it!"

Voluptuous
Sunshine
JANUARY 2007

Sunshine was a total amateur, having never before posed anywhere, when we first saw her in the August '03 V-Mag. She was great then, but now she's sexier, more confident and a bit bustier (although she's still packing her flesh rockets into G-cup bras). "Back then, I was too worried about how I looked," she said. "I never could've had as much fun as I'm having in these photos. I know now how much men want me." She leaned over and shook her chest. Water dripped off her nipples. "I'm just a big-titted ray of sunshine!"

2006 Voluptuous PLUMPER OF THE YEAR CONTEST

You decide:

*Who's
the best of
the super-
stacked and
packed?*

Plumper of the Year is the only V-Mag Awards category in which newcomers and established models mingle together, and in 2005, a newcomer, Scarlett (right), took home the honors. Scarlett added to her credentials by starring in the DVD *Titters in Toyland*, and she's one of the 10 finalists for Plumper of the Year. But repeating won't be easy, partly because the 2006 crop of plumper newcomers (including Jelena, top) is very impressive and partly because some plumpers of the past have plumped up even more. Yes, Plumper of the Year is truly the contest that separates the women from the girls, and if you can choose one favorite from among the 10 women on these six pages, then you're a better man than we are. So, get ready to pick your plumper!

No plumper packed on more pounds and more breast-flesh than Sapphire (left), who clearly has the biggest chest of any girl in the competition. On top of that, Sapphire did girl-girl with Samantha Sanders in *Knockin' Nipples* and fucked her brains out in *Bikini Busters*. Of course, guys love the new girls, and that's going to make Maria Verbeck, who debuted in the April '06 issue, a formidable finalist. And no girl screams "Plumper!" like long-time favorite Devin Taylor (below). Devin's new DVD, *Devin Does South Beach*, is a tribute to plumper beauty and is a huge seller.

A photograph of Devin Taylor, a woman with blonde hair, lying on a bed with a patterned blanket. She is unclothed and holding a bright pink, textured object in her right hand. She is looking directly at the camera with a neutral expression.

Here are three more reasons that Scarlett will have a difficult time repeating as Plumper of the Year. Deja (right) is impossibly curvy for a woman who's as big as she is. And look at those gigantic tits and that amazingly large ass! Maria Moore (below) isn't as plump as some of the girls in the contest, but she has big appeal for V-Men who like their women not too big but not too small. And beautiful Inesse is a perennial favorite as she gets bigger and bustier. So, which of the 10 finalists are your girl? Vote on page 20 of this issue, but do it soon! The deadline for ballots is midnight on December 31, 2006. So don't just sit there! Pick your favorite and vote!

of Voluptuous has nothing to do with government laws or restrictions. It has to do with printer restrictions. The Xtra section is printed separately from the rest of the magazine, and it can only be inserted in the part of the main magazine that is bound by a staple: the middle two pages (in the case of Voluptuous, pages 50 and 51). Otherwise, it'll fall out when the magazine is turned over.

Of course, that means we have two choices for the main-mag centerfold: we can split it in half with the Xtra section (as we've been doing for over a year), forcing readers to remove the Xtra section if they want to see the entire centerfold, or we can do away with the centerfold and put something else, like editorial copy and an "Ass Shot of the Month" on pages 50 and 51 (as we used to do). Of course, we could place a centerfold-style photo on pages 48 and 49 (the two pages preceding the centerfold), but that wouldn't be a traditional centerfold: you wouldn't be able to pull it out. Then again, maybe a lot of you don't care about whether you can remove the centerfold. So, let's do what you suggested and take a survey. There are two choices:

1. Keep things as they are: centerfold on pages 50 and 51, Xtra section splitting the centerfold in half. If you want to see the centerfold, you need to remove the Xtra section.

2. Centerfold-style photo that you can't pull out on pages 48 and 49, editorial matter and a "Bra Shot of the Month" or "Ass Shot of the Month" on pages 50 and 51, Xtra section in the middle.

Your opinion, readers?

By the way, readers of our International edition are still getting an unobstructed centerfold: the hardcore centerfold shot in the Xtra section. But do you want more than just the hardcore centerfold? Communicate to us via the means below.

REYNA MAE

She's always horny. And you just might be her man.

This issue's covergirl is a plump newcomer who describes herself as a "web goddess." Just "goddess" is enough for us. V-Men, meet Reyna Mae, an E-cupper who's a lotta woman for a lot of men...a 46-36-46 woman who's serving up a lot of flesh. "I masturbate twice a day and have sex three or four times a week," she said. "You know how they say girls with big tits are horny? That's me!"

One of the great things about Reyna (other than those two great things emanating from her chest) is that she's a down-to-Earth girl. You don't have to impress her with fancy cars and expensive dinners. "I like normal, average, everyday guys who know how to treat a lady," she said. "I like gentlemen, not boys, but that doesn't mean showing me how much money you have. It means stuff like opening doors for me. Being polite."

"When you're with me, make me feel like I'm the only girl in the room," said Reyna, who would never have to worry about wandering eyes if she dated only V-Men. "Don't try to check out the girl across the room when you're having dinner with me. Be attentive, honest, open. Tell me what you want, and there's a good chance I'll give it to you." We want your tits, Reyna. We want your big, round, firm ass, too. "I love doing it doggie-style while I'm rubbing my clit," she said. "I love making myself cum while you're fucking me from behind. So be nice to me. Maybe you'll get to do it."

playing. George sat, watching himself standing next to Harry, his best friend. Then George turned and looked up the aisle. No, no, this couldn't be right. Harry hadn't married Naomi, Sam had. George turned to Clarence. "But, but this isn't..."

"Yes, it is how it happened, George. Remember? You hadn't developed a thing for voluptuous girls, so you and Harry never... Here, let me show you."

Abruptly, the scene changed. George and Clarence were still seated, but now on a bench in a locker room George remembered from their high school days. Harry, who was only a few months younger than George, having just turned 18, still had some acne and looked nervous and fidgety. George took a sip from a hip flask he had pocketed from the drug store where he worked after school. He remembered the night. The big high-school dance. He and Harry had snuck off to the locker room, and just as George remembered, down the stairs came Marsha Barrows, every curvy teenage inch of her. They had agreed to sneak off to dip into George's flask, but Marsha and George had something more in mind, especially for the nervous Harry, who hadn't been near a pussy since birth. George had made out with Marsha a few times, and she liked him, and even thought that his nerdy buddy was kind of cute. After 20 minutes of hitting the flask, though, Marsha confessed that she had the hots for both of them and lifted up her dress to prove it. Marsha's fleshy legs were bare, and she showed off a totally shaved, thick-lipped pussy that glistened with moisture. Marsha was one of those girls who had started developing breasts back in the fifth grade and always carried her books against her chest to hide them. She was chubby, and at one time or another, every guy in school had talked aloud in the locker room about how big Marsha's tits were.

Now, his first sexual encounter, his first real sexual experience, had showed him. He had peeled off Marsha's dress and marveled at her boobs, barely contained in her bra, jiggling and bouncy, with her nipples sticking through the white, cotton cups like frozen cherries.

TITS A WONDERFUL LIFE

Continued from page 69

George had needed both hands to undo the bra, and when those big, meaty titties flopped out, he and Harry had each grabbed a hold of one, sucking and fondling and licking Marsha until she was out of breath. Then Marsha unzipped both of their slacks and tugged them down, followed by their shorts. She took a seat on the bench, stroking their hard cocks, looking up at them while she did so.

"These for little ol' Marsha?" she teased, and then her big, thick, ruby-hued lips clamped down on the head of George's cock, and he was hooked.

Marsha had gotten naked that night, but all she did was suck off George and Harry and let the two of them finger-fuck her until she came. Then she told them she was afraid they'd get caught and they needed to get back up to the party. But George begged her to wait a minute, and he straddled the bench with his hard cock—it had taken him a whopping 30 seconds to get hard again back then—bobbing in Marsha's face. Marsha went to start sucking him again, but George instead grabbed Marsha's great, big tits in each hand and wrapped them around his jizz stick. Marsha giggled as George discovered titty-fucking for the first time, and before he knew it, he was blowing a salty load of ball slop against the underside of her chin. Marsha gaped at the amount of cum she saw dripping into her cleavage. And then, she had smiled shyly up at Harry.

"C'mon, I'm not about to let just George share these," Marsha had beckoned, and from that moment on, both of the friends had shared a similar taste in voluptuous women.

"B-but..." George protested as the vision of the locker room faded and he and Clarence were once again sitting in the front row at Harry's would-be wedding. "Naomi? How did?"

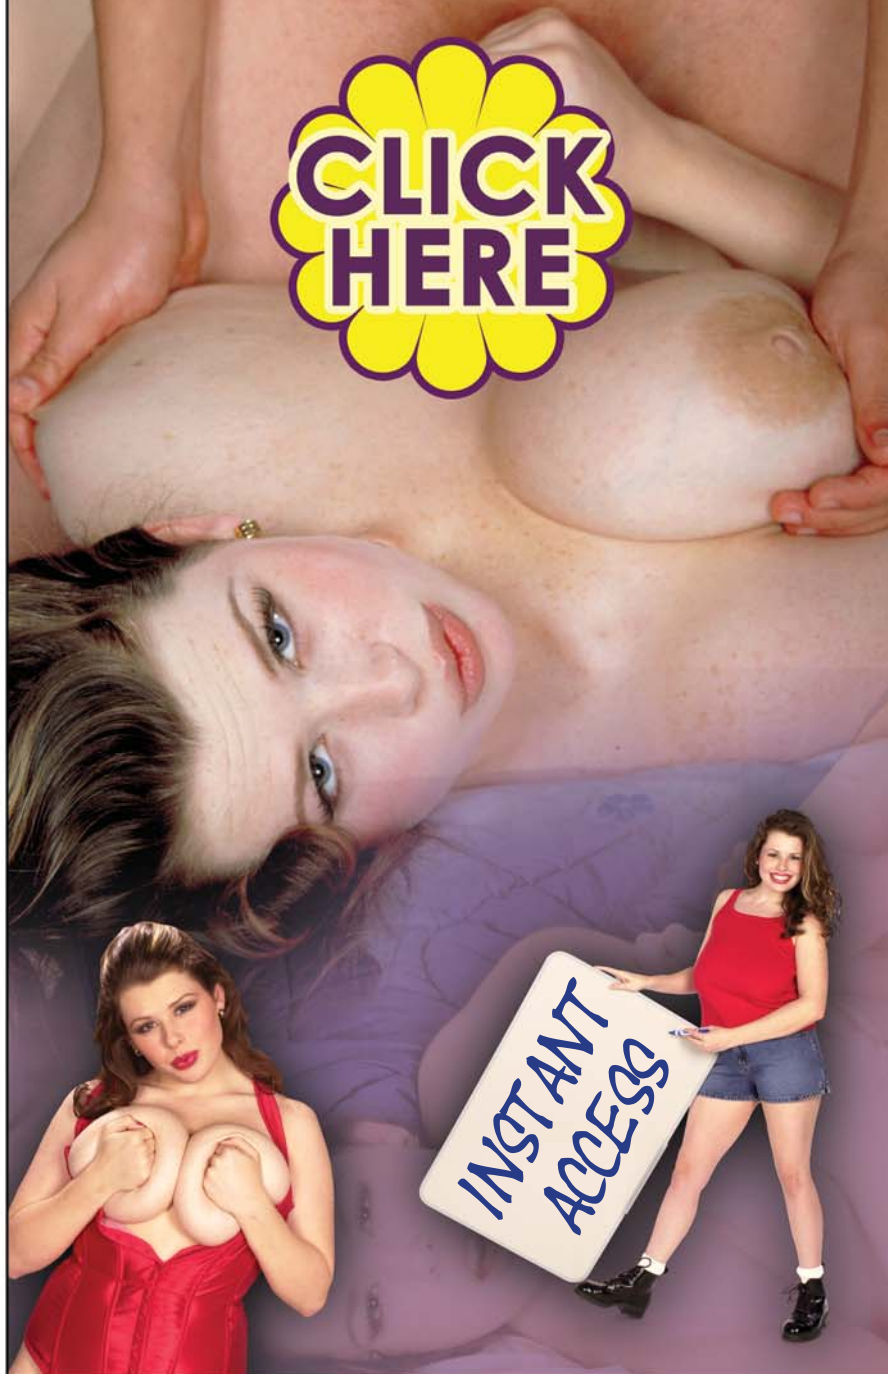

"You weren't there to save him, George," Clarence explained. "Harry never got laid until he was out of college. And Naomi isn't a good lay. Harry thinks she has a bony ass that looks like a boy's and no tits to speak of at all, and she's got more muscles than he does. He never got a thing for big-busted, curvy girls because you never did, and so you two never boob-banged Marsha Barrows. Now he's almost 40 and has

fucked a total of three women, all skinny, and thinks Naomi is the best he can do. But if you think that's bad..."

Clarence waved his hand, and the scene changed. It was night again, and George recognized Harry's bedroom. He should have recognized it. He had helped move Harry's furniture up the steps, and that shit was heavy.

But now, the big, oak headboard wasn't there. Nor was the heavy, wooden mattress platform or the four posters. Instead, Harry had a queen-sized mattress with a couple of cheesy nightstands and a box spring on top of a rickety, metal frame. George noticed that the bed was occupied. Harry was lying on his back, and Naomi was down on all fours, giving him a blow job. George walked around behind Naomi. He cringed. Naomi did have a bony ass. He hated that in a woman. He could see her hip bones jutting out as she swallowed Harry's pole.

At least, it appeared, she could suck a decent cock. But clearly, not as good as Marsha could. For one thing, Marsha had those thick, pouty, cocksucker's lips. The kind of lips that felt like a pussy when they were chompin' on your prick. Naomi had a thin-lipped smile, and now those scrawny lips looked woefully insufficient for the job as they serviced Harry's cock. Harry didn't look nearly as into it as he had that nervous night when Marsha had become the first girl whose throat Harry had power-sprayed with ball sauce.

Finally, George saw a little life in Harry's eyes as Harry began to pump his cock up into her mouth. Naomi coaxed his semen with her tongue, Harry erupted and Naomi's cheeks bulged full of load. Harry always had been able to unleash a lot of cum. They had tag-teamed enough girls in college for George to have seen that surprised look in their eyes as Harry's copious spurts overwhelmed them.

George was about to turn away, but Clarence pointed. "Show's not over yet, George. Look," he said.

George turned back, just in time to see Naomi pull her face away from Harry's already-deflating cock and spit into the wastebasket beside the bed. George was aghast. He had dated a spitter or two in his time, but never for long.

"Calories, George," Clarence explained. "She won't swallow because she thinks she'll gain weight."

CRISA

Good news, V-Men. We caught her on a big day.

For some V-Men, there's nothing like a stacked chick in a tight sweater. For some V-Men, there's nothing like a stacked chick *out* of a tight sweater. These pictures of Crisa, the F-cup Romanian angel, are for both types of V-Men. Check out how the buttons on Crisa's sweater are being tested to the max, straining to burst open. And check out how Crisa's F-cups bust it wide open!

The last two times we've seen Crisa, she's shared the stage with other V-Girls, first with Florri in the August '05 issue and then with Joana in the December '06 issue. This time, she has the stage—or, more accurately, the veranda—to herself as she shows off every inch of her lovely body on the Costa del Sol in Spain. "I love being with Joana and Florri," Crisa said. "They are beautiful, sensual women, and they are wonderful lovemakers. But it has been a long time since I have been able to show myself in this way to *Voluptuous* readers, and it was such a beautiful, warm, sunny day, I've never felt sexier." Or looked sexier. We loved the pictures of Crisa in that pink sweater, but we are especially enjoying the unusual views of Crisa's tits that we're being treated to here. Look out below!

Crisa isn't a candidate for Model of the Year because she made no V-Mag solo appearances in 2006. But this gorgeous photo set of Crisa's gorgeous set puts her in the running for 2007 Model of the Year...not that she cares about contests. "I care about being sexy and alluring and turning men on," Crisa said. "I don't care if I do it better or worse than any other woman. I can only be me, and that seems to be enough for most men I've met. So enjoy my pictures as much as I enjoyed posing for them. And be sure to let me know which one you liked best."

"No, no, this can't be," George whispered hoarsely. "Clarence, Clarence, what about Mary? What happened to my Mary?"

A dark cloud passed over the angel-in-training's face.

"I don't think that would be a good idea," he said.

But George was adamant. "Clarence," he begged, grabbing the little man by his shoulders. "You have to take me. You have to take me to Mary!"

"All right, George. But just remember, I warned you."

The little man stepped away, and George followed. In an instant, they were walking up George's street. It was wintertime again, and George assumed that they had returned to the present. His Christmas decorations were familiar, and Sam's SUV was in the driveway next door. George hustled up the front walk and stormed into his house, calling for his wife.

"Mary! Mary! Where are you? Are you here?" He ran into the kitchen, where a note was taped to the refrigerator. It read simply:

Honey,

Ran out to the store. I'll be back in a few minutes.

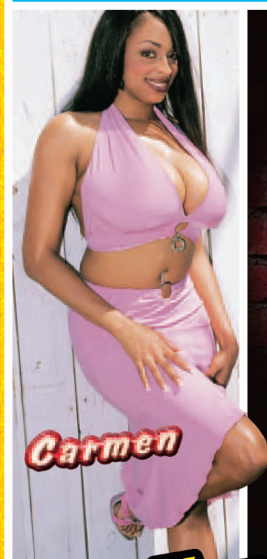

XXX

George sighed with relief. He forgot entirely about Clarence and headed for the bedroom, where he slumped on the end of the bed and wiped his eyes. Then he looked out the window and froze.

Through the glass, he could see directly into Sam's bedroom. Often, he had snuck a peek through the blinds and watched Sam putting Naomi through her paces. From a distance, fucking Naomi had been something he had fantasized about. But after watching the scene Clarence had just revealed to George, it didn't stir his limp dick whatsoever.

But Sam plowing Naomi wasn't what George saw now. What he saw made his blood run cold. He rushed out of the house, ran up the driveway and stared into Sam's window, horrified. Sam had Mary down on all fours, her bountiful cantaloupes swinging to and fro as he pounded her ass doggie-style. Mary's face was flushed red with exertion as she moaned and groaned. Sam plowed her fleshy rump with his thick cock.

"Mary, Mary! What are you doing?" George howled.

Sam pulled out of Mary's ass and gave her backside a playful slap. Then Mary wriggled beneath him and Sam started grinding his prick in between Mary's tremendous knockers, her F-cup breasts bouncing as Sam intensified his strokes. George watched helplessly as his wife was pleased by his horn-dog neighbor. Just watching Mary's nude body sweating and writhing beneath Sam had George's cock swelling in his trousers. Mary grabbed her tits and swung them up and down against Sam's cock. She tilted her head forward just enough to spit into her boobflesh cavity, slicking it up nice and good for Sam's ramrod. George wanted to puncture his eardrums when he heard Mary's voice, rising in pitch.

"Oh, Sam, baby! Oh, honey, fuck my tits! Oh, fuck my tits, lover!"

George gasped. Sam blew a wad of spooze into Mary's tit-canyon that gushed against her chin, coating her throat with thick man milk. Sam whipped his dick free from her soft mounds and jacked cum all over them. Mary's lips gobbled the droplets raining down on her from Sam's twitching cockhead. Finally, Sam finished showering Mary with jizz, and Mary began rubbing the sticky discharge into her mams, something she always did whenever George bathed her in sperm.

As depressed as he was, watching Mary get an ass and tit-fucking like this had given him a painful erection. God, how he wanted to fuck her. He couldn't get it out of his head. He wanted to fuck Mary's pussy and blow load after load up her snatch, on her tits, in her mouth. Yeah, definitely in her mouth. She was no fucking spitter.

"My wife," George groaned. "My wife, my wife."

"Your wife? Yes, here she comes now, I believe," Clarence said softly, looking up the front walk of George's house.

Already? George thought, but then he looked up, and his eyes bulged. Not Mary. Marsha. The look on Clarence's face said it all, George knew. In this reality, Mary wasn't his hot, voluptuous wife, the girl who loved to have her tits fucked as much as her mouth and pussy. In this reality, Sam had gotten to Mary first, like he had always wanted to. And George had wound up with Marsha. Only this Marsha looked totally different. This Marsha looked anemic

and gaunt. This Marsha had lost that sexy round ass and her tits—what was left of her tits—looked small and saggy. Somewhere, deep down inside, George knew that this Marsha wasn't the bubbly, voluptuous girl with the great knockers, the born cocksucker he remembered from that long-ago high school double-team. Deep down, he knew that this pitiful Marsha probably fit into a size five.

Clarence whispered in his ear. "She got thin after high school, George. Lost 40 pounds just to catch your eye because you and Harry never paid attention to her in high school. You never found Marsha hot because you never got a thing for girls with big tits and all those curves. You wanted skinny, George? You got skinny.

George dropped to his knees. "Clarence, Clarence, I take it back. I take it all back. I didn't mean it. I didn't really mean what I said about voluptuous girls. Please, Clarence. Please, please take me back. Please get Mary to take me back."

"Hey George!" Sam called, shaking George back to reality. "What's the matter? Problem with your lights?"

George got up, spun around and pointed a finger at Sam.

"You, you just stay aw..."

But before he could finish, Naomi popped out through the garage, came around the SUV, hopped into the passenger seat and gave George a wave. A wave and that little seductive smile of hers. George ignored Sam's puzzled expression and raced up the front steps to his house two at a time. He tore through the first floor, calling out Mary's name. She appeared from the kitchen, holding up a trendy diet book.

"I thought about what you said," she said. "What you said before."

George ran across the living room, grabbed the diet book out of her hand, and hurled it into the burning fireplace.

"George!" Mary began, but George was already burying his face in her warm, deep cleavage. Mary giggled. George yanked up her shirt and pressed his mouth to her breasts, kissing them all over. The tops of her melons were hot underneath his lips, and he nearly popped the metal clasps on her bra getting it off her.

"Oh!" Mary gasped as George grabbed hold of her firm, sumptuous knockers. He sucked her nipples, and his cock throbbed against her. Mary

could feel the urgency. She undid the button on his jeans and thrust her hand into his shorts.

George moaned as Mary stroked his rock-hard shaft. They stumbled over to the couch, and Mary let him tear off her tight blue jeans. He rolled her panties down and plunged his face between her thighs, tasting her and lapping her pussy ferociously. Mary was burning up with excitement, and George had her leaking dew on the cushions before she could catch her breath.

"Fuck me, George," Mary pleaded. "Oh, honey, fuck me good and hard!"

George parted Mary's fleshy thighs and plunged his cock deep inside her. Mary wrapped her legs around him, locking George between them, and thrust her wide hips up to meet his cock on the downstroke. George drove his hammer into Mary's oozing cunt, getting her wetter and wetter, their bodies making gooey, damp noises as George fucked the daylights out of her. Mary came, and when she did, she held herself, shivering. Whenever she did that, wrapping her arms around herself, her arms lifted her enormous boobs and held them firm and tight. George looked down into the twin peaks staring him in the face, pulled his cock out of her pussy and angled it toward the crests of her mountains.

George's prick unleashed a torrent of flying white seed through the air. Some landed on Mary's face. Most of it drenched her breasts in wave after wave of cum. Before his dick finished spurting, Mary pulled it down against her belly and let a jet of hot nut cream course through the valley between her tits. Then she spooned up some cum with her finger and sucked it off.

"Oh, my God!" Mary said. "What a fuck! Something sure got into you!"

George stood and backed into the Christmas tree. An ornament tinkled. Mary quickly sat up, a trail of jizz still running down her chin.

"You know what that means," she said, grabbing hold of George's North Pole. "Back when I was in Catholic school, we used to say, every time a bell rings, an angel gets a hard-on."

George watched his full-lipped wife slowly inhale his cock.

"Yeah, that's right," George said softly, and as he watched his cock disappear down his wife's throat, he looked up and said, "Attaboy, Clarence! It really is a wonderful life!"

MELLIE D.

Not feeling so good? You need a dose of cleavage!

"I'm your fantasy nurse," said Mellie, our final newcomer of the issue and another early contender for Newcomer of the Year. "Imagine that you were sick in the hospital, and I walked into your room wearing black. I could tit-fuck the sickness out of you!" The girl has a sense of humor. She also has a sense of style. "I think all nurses should dress like this. It would make hospitals more fun."

BARE FACTS

MELLIE

Birthday: Dec. 12, 1976

Age: 30 Height: 5'5"

Weight: 144 lbs.

Bra Size: 32DD

Measurements: 38-28-36

Born: Bristol, England

Raised: Los Angeles,
California

Lives: England

Website: BustyMellie.com

Mellie had never entertained the idea of becoming a model until she was approached by a magician for a photo shoot. "I'd never modeled before, so I was a bit unsure of how it would turn out," she said. "Rob McKenna, the magician, was so surprised by how natural and instinctive I was during the shoot that he suggested I take up modeling professionally. So here I am!" Fortunately, he didn't try to make her tits disappear. "Now that would've been an incredible feat!" she said, laughing. "There's no way you could hide these babies!" Good thing!

For her next trick, Mellie is going to make your cock disappear between her tits. "I can do that, even if you have a big cock," she said. "You know what else I can do? I can make a dildo disappear in my pussy. And I can make your cock disappear in my mouth, although the balls would be a dead giveaway!" See? We told you Mellie has a sense of humor. "Men love when I laugh," she said. "It makes my tits jiggle." She laughed. She jiggled. And all was well in V-Land.

TRISH BAILEY: SLEEPING SLUT

We all have forbidden sex fantasies. Trish invites you into hers.

Your fantasy is to watch. Trish Bailey's fantasy is to be watched. In *Sleeping Sluts*, the new DVD from *Voluptuous* (available on page seven of the main mag), her fantasy and yours come true. "I love my scene," the 21-year-old student said of her first XXX adventure. "It's great make-believe. I'm fantasizing about being watched while I'm hanging by the community lake in my backyard, and my 'boyfriend' helps me play out my fantasy. I'm not wearing anything special. Just shorts and a top that my tits pop out of, but, then again, my tits pop out of everything! Of course, I don't know I'm being watched, although, of course, I do know. That's what makes me so wet. But the real fun starts when I go inside and he follows."

BARE FACTS

TRISH BAILEY

Age: 21 Birthday: April 25, 1985 Height: 5'4"
Weight: 142 lbs. Bra: 40DD Measurements: 44-31-38
Born and Lives: Tucson, Arizona
Previous *Voluptuous* Appearance: Sept. '06
Video: *Sleeping Sluts* (XXX-Rated, DVD and VHS
available on page seven of the main mag)

You can see what happens when Trish goes inside and her "boyfriend" follows. She makes believe she's asleep, and he fondles her big tits and plays with her shaved pussy. When she wakes up, she's "surprised" to see him there, but she wastes no time before she gets on her knees and sucks his cock. Then she and her "boyfriend" fuck, completing the fantasy. "It's so much fun to role play and play fantasy games and do the kinds of things you could never do in 'real' life," Trish said. "I mean, if a man ever followed me around and snuck into my house and started having sex with me while I was sleeping, I'd scream and call the police. But I think we all have forbidden fantasies that we harbor in the back of our minds. We all fantasize about fucking strangers and doing things we're not supposed to do. That's what makes *Sleeping Sluts* so exciting. I get to be *your* sleeping slut!"

ANA ANDERSON BIKINI BUSTER

This DD-cup newcomer needs some help oiling up. Care to lend her a hand?

"I love that *Voluptuous* isn't afraid to show a girl like me in a bikini," said 44-34-40 Ana Anderson. We love that a girl like Ana knows that she looks great in a bikini and isn't afraid to wear one. And we especially love that this lovely DD-copper is making her V-Mag debut by fucking and sucking for our viewing pleasure. These pictures are from the new DVD *Bikini Busters* (available on page 98 of this issue), starring Ana, Dusty Rose, Kitti Campbell and Kountry Gal. The scene opens with Ana, wearing this bikini, sitting by the pool in her apartment complex. She turns to the guy who's ogling her and says, "Could you do me a favor? Could you rub some oil on my back? It's kinda hard to reach." That's because Ana's tits are so fucking big. Of course, the super-horny guy obliges.

BARE FACTS

ANA ANDERSON

Age: 25 Birthday: August 30, 1981 Height: 5'9" Weight: 188 lbs. Bra Size: 38DD Measurements: 44-34-40
Born: Denver, Colorado Lives: Jacksonville, Florida Hobbies: Shopping, playing pool, eating, playing sports
Video: *Bikini Busters* (XXX-Rated boy-girl, DVD and VHS available on page 98 of this issue)

The lucky guy rubs some oil onto Ana's back. Then she turns over and pours some oil onto her tits. "It's so hot out," she coos. It's about to get hotter. Ana takes her top down and rubs the oil into her pierced nipples. She jumps into the pool, and the guy follows. He's no fool. Ana is horny. She wants cock. So she sucks his cock. Then she has him tit-fuck her in the pool. Then she sucks his cock some more. Then he fucks Ana's big tits. And her tight, oily, shaved pussy. He fucks her doggie-style. He fucks her tits again. She sucks his balls. Ana is a nasty girl. "You noticed," Ana said, smiling, cum dripping from her chin. "Very nasty."
